Care Gaps Response Form Background

Before this new Care Gaps Response Form functionality was introduced, providers used the **Eligibility and Benefits Inquiry** to view pop-up alerts for member Care Gaps. Providers would download and print the Care Gap worksheet, handwrite comments on the worksheet to show that services had been delivered to close the Care Gaps, and fax the completed worksheet to the health plan. This process did not allow providers to submit supporting documentation and increased the paperwork necessary to resolve multiple Care Gaps.

The implementation of the new Care Gaps Response Form functionality will allow providers using the NaviNet portal to enter Care Gap resolution data online, and capture and store this data along with any supporting documentation. Providers will be able to retrieve and report specific Care Gap changes along with supporting documentation. Verified Care Gap resolution updates will be applied real-time in NaviNet to prevent resolved Care Gaps from continuing to appear as alerts.

Before You Begin

User Attestation

New NaviNet providers will be prompted to complete the mandatory user attestation. Follow the prompts to complete this process for the billing entities and clinicians associated with your practice. By completing this attestation, you are confirming that you are authorized to access the Protected Health Information for the patients of the billing entities and clinicians you select. You can also complete this process by using the **My Organization** feature, accessed from the **Welcome** menu in NaviNet. From **My Organization** you can perform or view your attestations.

Note: NaviNet will show Patient Clinical Documents only for those billing entities that you have attested to support.

Log-In to NaviNet

1. Open your Internet browser.
2. Go to <https://navinet.navimedix.com>.
3. Log-in to NaviNet by entering your **Username** and **Password** and then clicking **Sign In**.

Submit Care Gap Response Information via Patient Clinical Documents Workflow

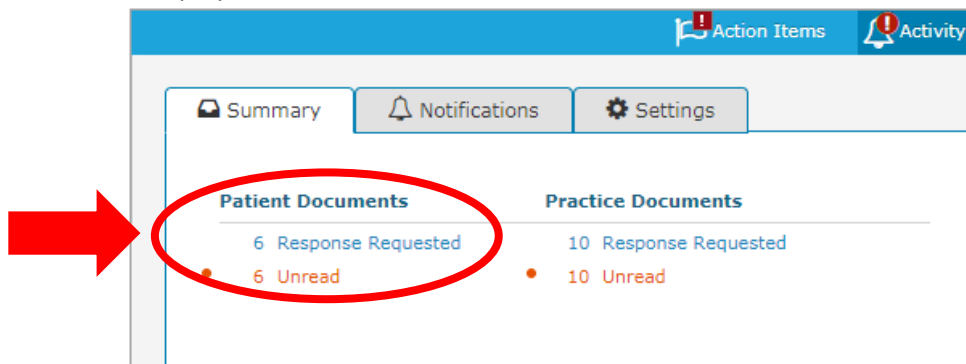

Once you are successfully logged in to NaviNet, you can see your alerts for unresolved Care Gaps by clicking on the **Activity** tab.

Note that under **Settings**, you can select the frequency you prefer for receiving pop-up notifications.

In the Summary tab of the Activity window, click on **Response Requested** or **Unread**. This opens the **Care Consideration Detail** screen, which contains detailed information on a patient's Care Gaps. By default, NaviNet displays the **Care Consideration Detail** screen for the first member on the list.

Review the **Care Consideration Detail** screen, and click on **Resolve Care Gaps** to work on the actionable items under **Response Required**.

Navigating the Screen

The screenshot displays a healthcare application interface. On the left, a sidebar contains a 'CURRENT DOCUMENT' section with details for a 'Care Gap Response Form' and a 'DOCUMENTS' section listing the same form with a red exclamation point icon. The main area shows 'Member Name' (female, born 09/02/1955), 'PRIMARY CARE PROVIDER LAST SEEN', and 'Care Consideration Detail'. Below this is a table for 'Response Required' with columns for Condition, Service, Status, Date of Last Service, Last Known Result, Response, and Frequency. A 'Click to Resolve Care Gaps' button is highlighted with a red box and arrow. Further down are sections for 'Other Service Gaps' and 'At Risk/Risk Services', each with their respective tables. The 'Up-to-date' section at the bottom lists services like 'Diabetes Eye Exam' and 'Lipid Test CDC - for Diabetes'.

Toolbar

- The left side of the toolbar lets you toggle full screen view and shows the file type and title of the current document.
- The right side lets you mark the current document as unread.

Current Document

- Here you can see information on the current document, such as the health plan that sent the document, the document category, line of business, document name, and received and expiry dates. Document routing and tag information is also displayed. You can expand the window to see any hidden information.

Documents

- Documents you have selected are shown under Documents. Clicking a document row displays the document in the document viewer.
- Unread documents are highlighted with a blue bar and text.
- Documents for which a response is required are marked with a red exclamation point.

You can also click on **Patient Clinical Documents** under the **Workflow** tab to see the list of patients with documents available for you to work.

The screenshot shows the NantHealth NaviNet dashboard. At the top, there is a navigation bar with 'Home', 'Help', 'Contact Support', and 'Feedback'. Below this is a blue header with 'Workflows' and 'Administration' tabs. A dropdown menu for 'Workflows' is open, and 'Patient Clinical Documents' is highlighted with a red circle. Other options in the menu are 'Practice Documents' and 'Prescription Savings'. The main content area features a banner for 'ALLPAYER ACCESS' with the text 'Access to 450+ Health Plans and Medicare is finally here!' and a 'Learn More' button. To the right, there are sections for 'Top Support FAQs' and 'Support Videos'. At the bottom, there are three informational cards: 'Where is the list of Health Plans?', 'Learn all about the exciting changes in NaviNet.', and 'Looking for NaviNet Help?'. A 'My Links' section is visible on the left side.

The screenshot shows the 'Patient Clinical Documents' page in NantHealth NaviNet. The page title is 'Patient Clinical Documents' and includes a note: 'These documents are provided by the patient's health plan. Many of them are questionnaires or forms that require an uploaded response. Depending on the contracts that your providers have in place, they may be eligible for incentives when these documents are completed and returned.' There is a 'View/Print List' link. The page displays 'Showing 14 of 14 patients' and is sorted by 'Patient Last Name'. A table lists the clinical documents for four patients, with columns for 'Member Name', 'Date of Birth', 'PCP', and 'Last Document Received'. The table is as follows:

Member Name	Date of Birth	PCP	Last Document Received
Member Name	10/17/1999	Provider Name	Sep 27, 2017
Member Name	03/27/1998	Provider Name	Sep 24, 2017
Member Name	10/26/1953	Provider Name	Sep 24, 2017
Member Name	01/03/2014	Provider Name	Sep 29, 2017

On the left side, there is a 'Filter by' section with various search and filter options: Patient's last name, PCP, Date Received, Unread, Response Status, Health Plan, Document Category (with 'Patient Consideration' checked), Line Of Business, and Document Tags.

Filtering and Sorting

You can filter the member list by:

- Patient last name

You can select any patient's name to open the **Care Consideration Detail** screen (below) for that patient.

The **Care Consideration Detail** screen will display all the Care Gaps for the selected patient as of the last month's load. You can see the patient's information, PCP (your) information, and Care Manager name and number. (If no Care Manager is assigned to the patient, you will see the phone number to call to participate in the Let Us Know program and receive support with reaching to the patient.)

Please respond to all the Care Gaps listed in the **Response required** section by clicking **Resolve Care Gaps**. This opens the **Care Gap Response Form** in a new pop-up window.

Any Care Gaps appearing in sections other than **Response required** is informational only.

Completing the Care Gap Response Form

Select the Care Gap to work by checking the box to the left of the Care Gap. Depending on the Care Gap type, you will be prompted to verify service delivery or request an exclusion.

You will be required to enter the **Date Complete** to confirm the service delivery. You can add the **Result**, if appropriate. The **Result** field is not mandatory. To verify the service delivery, you will be required to attach one of the documents listed as required for the particular Care Gap. You will not be able to submit the **Care Gap Response Form** without attaching the supporting document. You can attach a maximum of two documents per Care Gap. Each attachment must be 3 megabytes (3 MB) or less. File formats accepted are .jpg, .pdf, and Word (.doc).

Reviewing the Status of a Care Gap

Once you have submitted the **Care Gap Response Form**, a Quality Reviewer from our team will review the information you provided and return a status of Approved or Rejected. When your Care Gap Response is approved, you will no longer see any record or alert for that Care Gap in your queue. Any approved record will move to “up-to-date” section in the **Care Consideration Screen** for that member. Rejected responses will show Rejected in the **Response** column on the **Care Consideration Screen**.

You can review the status of a Care Gap in the **Response** column of the **Care Consideration Detail** screen. This field will display one of the following:

- Saved/not submitted: You have saved your response but did not submit it yet.
- Submitted: You have completed all necessary steps and submitted the information.
- Response Required: You have not yet responded to the Care Gap.
- Rejected: Your response has been rejected by the Quality Reviewer.

The screenshot shows the 'Care Consideration Detail' screen for a member. At the top, it displays member information: 'Member Name: female born on 09/02/1955 (62 yrs old)', 'Member ID', 'PRIMARY CARE PROVIDER LAST SEEN', 'Provider Name', and 'NPI:'. A note indicates '**Claims processed through End of Month August 2017**'. Below this is a section titled 'Care Consideration Detail' with a sub-header 'Response Required'. A table lists three care gaps: Diabetes (Diabetes HbA1c Test), Diabetes (Diabetes Microalbumin Test), and Preventive Health Screens (Breast Cancer Screen). The 'Response' column for the first two rows is circled in red and contains the word 'Rejected'. A 'Resolve Care Gaps' button is located at the bottom right.

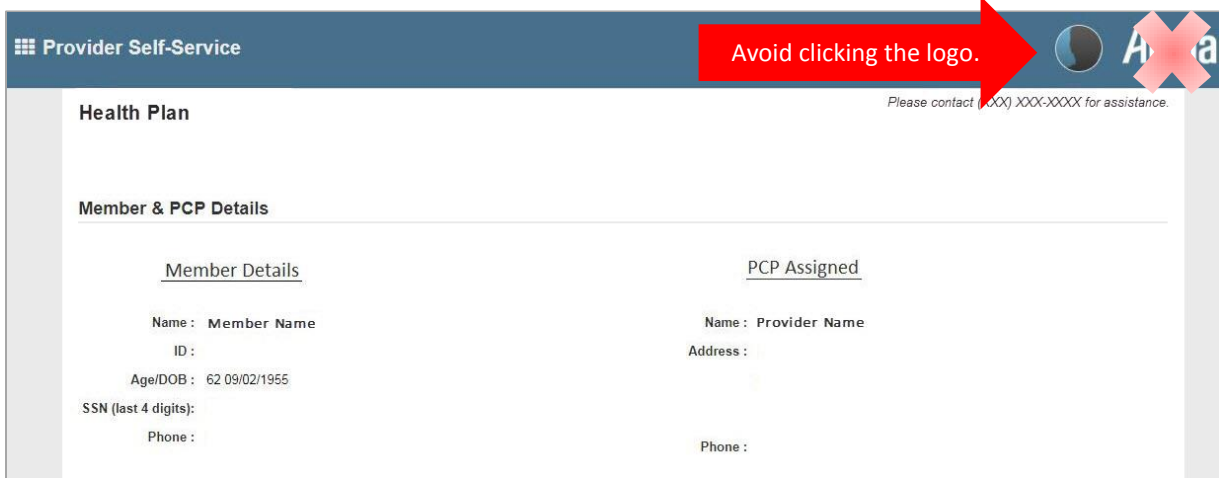

Condition	Service	Status	Date of Last Service	Last Known Result	Response	Frequency
Diabetes	Diabetes HbA1c Test	Overdue	12/01/2014	7	Rejected	At least once every 6 months
Diabetes	Diabetes Microalbumin Test	Overdue	04/22/2015	0		At least once per year
Preventive Health Screens	Breast Cancer Screen	Overdue	05/04/2015			Once every 27 months

If your Care Gap Response is rejected:

- You will see a new alert in the **Activity** tab in NaviNet.
- On the **Care Consideration Detail** screen for that patient, you will see the status in the **Response** column as **Rejected**.
- Once in the **Care Gap Response Form**, select the rejected Care Gap and read the Quality Reviewer’s notes before resubmitting your response.
- The notes grid in the form will include all previous comments related to the Care Gap from both you and the Quality Reviewer.
- You can click **Resolve Care Gaps** to work that Care Gap again.
- The Care Gap will not be removed from your list until approved by the Quality Reviewer.

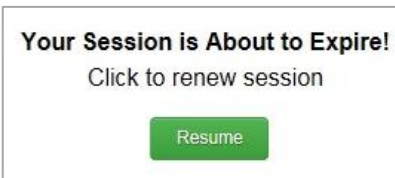

Important Notes

- After you have completed the **Care Gap Response Form**, you can choose to **Submit** or **Save for now**. Responses saved for now will remain active for 30 days only.
- Avoid clicking on the **Appian** logo on the **Care Gap Response Form**. If you do so, the screen will auto-refresh.

The screenshot shows the 'Provider Self-Service' header. A red arrow points to the Appian logo with the text 'Avoid clicking the logo.' The main content area is titled 'Health Plan' and includes a sub-section 'Member & PCP Details'. Under 'Member Details', there are fields for Name, ID, Age/DOB (62 09/02/1955), SSN (last 4 digits), and Phone. Under 'PCP Assigned', there are fields for Name, Address, and Phone. A small text at the top right says 'Please contact (XXX) XXX-XXXX for assistance.'

- If you are inactive in the **Care Gap Response Form** for more than 60 minutes, you will see the pop-up below warning you that your session is about to expire. If you click **Resume** within 5 minutes, the **Care Gaps Response Form** page will reload and you can continue to work the Care Gaps.

Your Session is About to Expire!
Click to renew session

- If you do not click **Resume** within 5 minutes, the form will time-out, and you will see the log-in screen pictured below. Please **do not** attempt to log-in via this pop-up. Instead, close the window and log-in to NaviNet again.

The resulting **Patient Details** screen will have a section with the Care Gap Alert as **Critical Quality Incentive** for that member. Upon clicking this pop-up alert, you will see the read-only Care Gap Worksheet. You will not be able to write on it or fax it in.

To address any Care Gaps for that member, click on **Clinical Documents**. This link opens **the Care Consideration Detail** screen for the member. This link might take 10 seconds or so to appear on the screen.

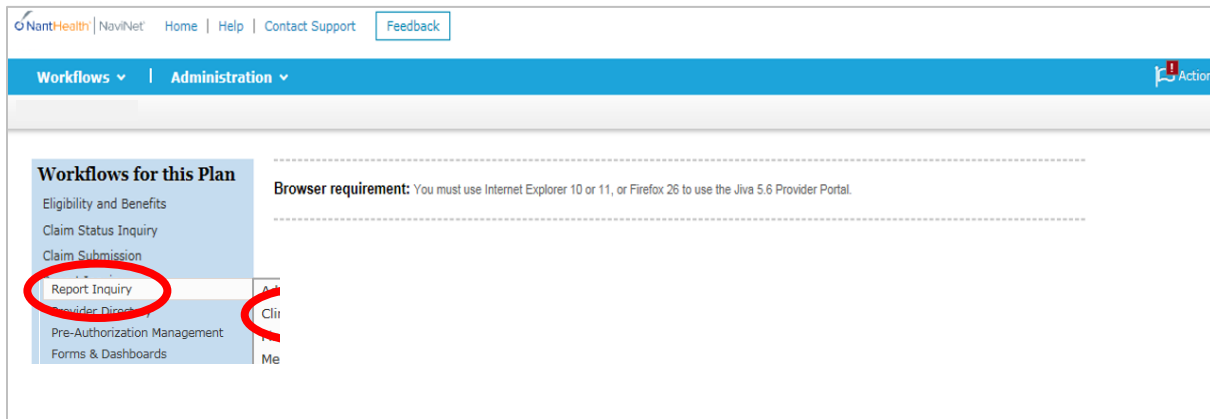

The screenshot shows a web interface for patient management. At the top, there are navigation tabs for 'Workflows' and 'Administration'. Below this is a breadcrumb trail: '< Back to Patient Search | Eligibility & Benefits: Health Plan'. The main heading is 'Eligibility and Benefits'. A red arrow points from the text 'Opens read only Care Gap Worksheet.' to a 'Patient Alert Details' pop-up window. The pop-up contains the text 'Critical Quality Incentive for John Doe'. Below the main heading, there is a section for 'Health Plan' with a note: 'No additional payer information on file'. A green bar indicates the member is 'Active from 11/26/2014 to 12/31/2199'. A red box highlights a link that says '1 Clinical Document(s)'. A red arrow points from the text 'Opens Care Consideration Detail screen where you can work Care Gaps.' to this link. To the right, there is a 'PRIMARY CARE PROVIDER' section with fields for 'Member ID', 'Service Date: 09/26/2017', 'Member Language: English', 'Identity Card Number', 'View Member Clinical Summary', 'View EHR', and 'Critical Quality Incentive for Coleman, Patricia'. The page footer shows 'Page viewed: 09/26/2017'.

Access Care Gap Information via Care Gap Query Reports

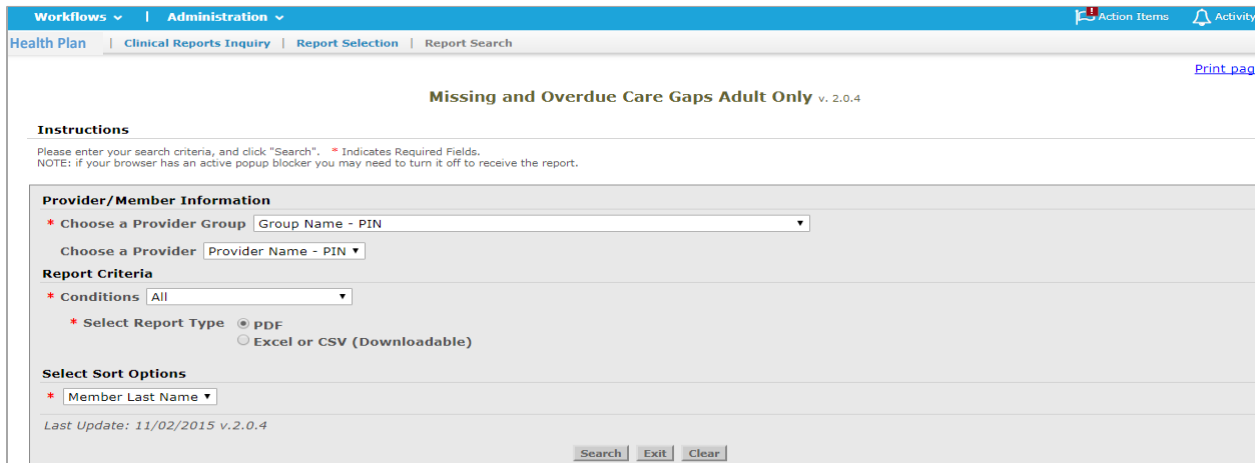

Log-in to NaviNet and choose the desired health plan.

Select **Report Inquiry** from the left hand pane, and choose **Clinical Reports** from the dropdown menu.

Select **Care Gap Query** from the dropdown menu, and make appropriate selections on the following screen to get the detailed Care Gap report. The **Care Gap Query Report** will display all the Care Gaps.

Important Notes

The **Care Gap Query Report** displays the complete data set for Care Gaps by default. The following reports are sub-sets of the **Care Gap Query Report**. All of these reports are read-only.

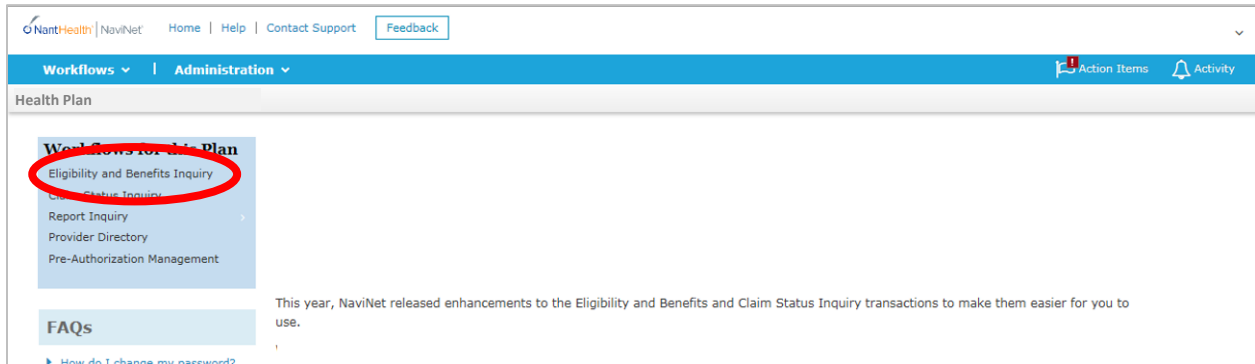

- HEDIS Improvement Query
- Member Alert Standalone Care Gap Request
- Missing and Overdue Care Gaps Adolescent Only
- Missing and Overdue Care Gaps Adult Only
- Missing and Overdue Care Gaps All Members
- Missing and Overdue Care Gaps Pediatric Only
- Single Care Gap Query

Each of these reports displays the following columns:

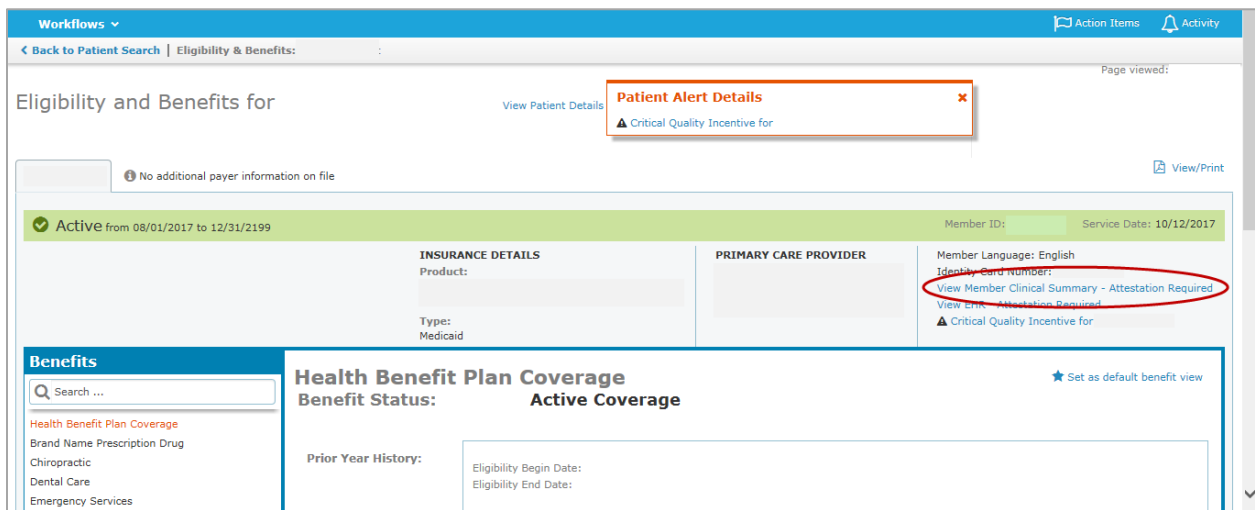

- Provider ID
- Member ID
- Date of Birth
- Member Information
- Service, Status
- Rule of Frequency
- Last Service Date
- Care Gap Update Status

Access Care Gap Information via the Member Clinical Summary Report
