RESOURCES OFFERED BY AMERIHEALTH
CARITAS DELAWARE TO PARTICIPATING
PROVIDERS

	About this resource...	Engage this resource...
Let Us Know program	Enables you to quickly and easily refer a member experiencing special, chronic, or complex health conditions who may need the support of one of our programs via the Rapid Response and Outreach Team (RROT) .	Complete and submit a Member Intervention Form (found on the health plan's website) to refer a member to RROT for care coordination or care management support, including Bright Start for maternity. RROT responds within 48 business hours.
Bright Start (maternity program)	Outreaches to and coordinates care for pregnant members and provides comprehensive care management for high-risk pregnant women and newborns with complex medical needs – including babies with neonatal abstinence syndrome (NAS).	RROT telephone: 1-855-806-6242 Bright Start (maternity) telephone: 1-833-669-7672
Care coordination and care management	Care coordination includes member outreach, resource navigation and coordination, closed-loop referral support, and wellness and prevention education. Complex care management includes individualized plans of care to coordinate delivery of physical and behavioral health services and to help meet social and environmental support needs.	
Disease management and Healthy Behaviors programs	Supports care for members through programs addressing specific physical health conditions such as adult and child obesity, diabetes, heart disease, and asthma. Encourages members to actively participate in improving and maintaining their health, and rewards them for practicing certain, qualifying healthy behaviors.	Visit the Healthy Behaviors section of our website at https://www.amerhealthcaritasde.com/provider/behavioral-health/index.aspx Ask your Provider Account Executive for more information.
Behavioral health support	Helps to integrate physical and behavioral health services and offers tools and training to help providers screen for behavioral health conditions, such as depression and substance use disorder. Resources include reference materials on effective screening, referral, and treatment practices, as well as educational resources such as our exclusive Behavioral Health Provider Toolkit, and access to e-learning modules on a variety of topics.	Visit the behavioral health section and view our toolkits and e-learning modules in the provider area of our website at https://www.amerhealthcaritasde.com/provider/behavioral-health/index.aspx Check out our trainings online at https://www.amerhealthcaritasde.com/provider/training-and-education/index.aspx Talk to your Provider Account Executive to request a no-cost training for clinical staff on implementing trauma-informed strategies.
