

Overview	
1. The requested clinical information helps AmeriHealth Caritas Delaware identify members who have increased risk early in pregnancy and during pregnancy.	2. Bright Start® is the Care Coordination program offered by AmeriHealth Caritas Delaware in partnership with providers to help mothers maintain a healthy pregnancy.

## Completing and submitting the ONAF

1. Review the <b>ONAF</b> .
<p>This form can serve as the initial notification of a member's pregnancy to the AmeriHealth Caritas Delaware Bright Start program. Please fill in the demographics section in its entirety for the first submission.</p> <ul style="list-style-type: none"> <li>• <b>Please complete the clinical section in its entirety for each submission</b> by checking the trimester in which the risk, medical, or mental health condition was noted.</li> <li>• Checked boxes indicate that the condition was identified in that trimester.</li> <li>• Unchecked boxes indicate that the risk was not identified.</li> <li>• <b>Please check "No" when appropriate</b> to indicate that each section was reviewed. Additional information can be written in the Comments section.</li> <li>• Please fill in the dates of all visits, including the postpartum visit.</li> <li>• The ONAF does not need to be completed by the provider; it can be completed by any designated staff within the practice.</li> <li>• The ONAF can also be used any time throughout the pregnancy to notify AmeriHealth Caritas Delaware of additional prenatal visits and newly identified risk factors.</li> <li>• You do not need to complete the top part of the form each time. Simply add the new office visit(s) or risk factor(s) to the original form and fax it again.</li> <li>• If the pregnant member develops new risks, please resubmit an updated form or call the Bright Start maternity program at <b>1-833-669-7672</b>.</li> </ul>

2. Educate on the submission of the ONAF and discuss the time frame and appropriate billing codes (see below).
